

*Designated family camping area*

Spend the whole festival with us by staying in our campsite.

The campsite is close to the festival site and is set in Falkland Estate so you've got the chance to both enjoy the festival and explore the Estate at your leisure. Go walking, go cycling, go exploring the miles of restored pathways, bridges and tunnels on Falkland Estate. The village of Falkland with its award winning cafes, historic Palace and craft shops is also within walking distance.

The campsite had a dedicated family area, a campsite, camp shop, hot showers and toilet blocks. Children under 12 go free.

## Travelling to The Big Tent

By foot, bike, train, bus or car, there are plenty ways of getting to Big Tent! Big Tent is held on Falkland Estate which is only 35 miles north of Edinburgh and 23 miles south of Dundee. Local train stations at Ladybank and Markinch are a few miles away and we will be providing free connection buses from both there and other locations. Check our website for more information on sustainable ways of getting to the festival. If you are coming by car, follow the AA signs avoiding the village of Falkland and be ready with £5 for your festival parking.

## Falkland Centre for Stewardship

The Big Tent is organised by Falkland Centre for Stewardship. We are developing Falkland Estate as a place where people are learning how to live and work sustainably. Our interests span from the value of re-skilling our communities to the impact of today's decisions on climate change for future generations. We care for the A-listed House of Falkland with its arts and crafts interiors and we run One Planet Food, a project that aims to encourage a sustainable, healthy and inclusive food culture.

For more information on our work and other events we run, visit [www.centreforstewardship.org.uk](http://www.centreforstewardship.org.uk)
