## Squirrel quiz

As you go along the trail, try the squirrel quiz. The quiz numbers correspond to each stop along the trail. There's a small prize (while stocks last) for every correct entry!

1: What is a squirrel's nest called?

2: Describe two differences between red and grey squirrels

3: Name 3 things that squirrels eat

4: why is Rhododendron invasion a problem?

5: why do we need to reduce numbers of grey squirrels?

6: How do trees help to slow down climate change?

7: Moss has no roots, so how does it get food and water?

8: Name two kinds of fern that grow in these woods.

9: Which can live longer, trees or people?

**NOW TURN OVER THE PAGE!**

**Please tell us what you thought of this trail:**

<input type="radio"/> Good	<input type="radio"/> OK	<input type="radio"/> Not good
How could it be improved?		
Any other comments?		
Did you see any squirrels while you were doing the trail?  No. of red squirrels: No. of grey squirrels:
